

Single With Purpose

God is calling for strong minded, single individuals who will take a stand for righteousness. Individuals who are empowered to live a life that is guided by the holy spirit. Endowed with power and understanding, a single person should not let anything distract or separate them from the love of God. They should be in complete submission to God always, putting him first and foremost in every decision of their lives. Godly individuals who are Single and Satisfied

*Freedom To Do Things God's Way!
1 Corinthians 7:32-35*
